**POSITIVE EDUCATION CLUB
ORGANISATIONAL DRAFT Final**

I POSITIVE EDUCATION CLUB programme

Students' ideas on how they envision the club's program:

1. Public candidacy for the president of the club, presentation of arguments why they are applying, what their goal is and recognition of their own strengths that the president should have
2. Everyone can have a chance to run for office
3. Public voting and selection of the president and vice-president of the club
4. Choosing the secretary, recorder of the club, public relations person (PR), entertainer in the club and usher
5. Emphasis on personal strengths – teamwork, leadership, sense of humour, empathy, social intelligence, etc.
6. Each member of the club has a simple task
7. The meeting would be held every other week during the school year
8. Anonymous box - a corner for needs where a note is inserted, on which each student in the school writes anonymously or with their first and last name (according to their own wishes) about their problem, difficulty, etc.
9. Support for all students who need it
10. According to the needs of the students, the professional service holds workshops
11. Creating the logo of the club
